

To Whom It May Concern

Prague, 5. August 2026

Subject: Official Confirmation of Conference Participation

This letter serves as an official confirmation that Dr. Stefan Ivanov from the Centre of Excellence in Informatics and Information and Communication Technologies, Sofia 1113, Bulgaria, has been invited to participate as a speaker at the Central & Eastern European Cheminformatics Conference (CECEC 2026). The conference will take place on **7 September 2026** at the University of Chemistry and Technology, Prague, Czech Republic.

Dr. Ivanov will deliver the following invited presentation: "*In Silico* Isomerization Produces Apt Negative Data for VHTS Validation"

We confirm that Dr. Ivanov is an official participant in the scientific programme of CECEC 2026, and we would greatly appreciate your support in enabling his attendance. Should you require any additional information, please do not hesitate to contact us.

Sincerely,
Prof. Daniel Svozil, Ph.D.
Organizer, Central & Eastern European Cheminformatics Conference (CECEC 2026)
Department of Informatics and Chemistry
University of Chemistry and Technology Prague
Prague, Czech Republic
